House Sitters - Relief Motel Managers

Caring for Your Place and Your Pets

We are a conscientious and reliable couple providing house sitting services to people needing their home and pets looked after while they are away.

Background

- We both retired from lengthy administrative careers with the Otago District Health Board in 2008 to travel and work around New Zealand.
- Since 2010 we have had 58 motel minding contracts at 15 different motels around New Zealand; totalling over 700 days and nights.
- As well as motel work we had 6 seasonal work engagements 2009 - 2015 in Central Otago and Bay of Plenty including quality control positions.
- More recently we have had 9 different house-sitting engagements in the Dunedin area with a variety of pets and animals.
- We currently have full and part-time jobs in the Dunedin area.

About Us

- We will provide honest, dependable, confidential and cheerful supervision of your home and pets in line with your requirements.
- Ross spent 18 months managing family motels in Dunedin in the 1980s. Since then he worked for a public company and then for the Dunedin Hospital for 22 years in a wide variety of administrative roles including accounts payable, payroll, bank reconciliation/ledgers, computer training, document control, and quality control. He is currently working as a Data Administrator
- Wyn worked initially in the hospitality industry and then in various administrative roles with companies before working full-time for 16 years for Dunedin Hospital. Her roles included administering clinics and front-line reception. She is currently working in retail.
- Ross has a background in local government through almost 2 decades of public service as a Borough Councillor and Community Board.
- We have both enjoyed roles providing service to staff/ patients/ clients/ residents/ customers/ guests and home-owners.

Referees & Feedback

- Contact details for referees are available on request.
- While we've been managing motels and house sitting, some guests and home owners have provided feedback involving. See www.davies.net.nz/feedback

Interests

Our interests include walking, biking, photography and travelling, mostly around New Zealand. We are enjoying being tourists in our own country and well as experiencing other cultures – most recently in China.

Have Home – Will Travel

We live in our motorhome full-time when not house sitting. It is a modern 8-metre campervan. We appreciate having somewhere close-by to park it but this is not a show-stopper.
